

We are reaching out to let you know that despite the closure of many ham radio events, there is a great opportunity to join your fellow hams and us at the first-ever

QSO Today Virtual Ham Expo on Saturday and Sunday, August 8 – 9, 2020.

Attendance is free and registration is now open at
<https://www.qsotodayhamexpo.com>
with early bird prize incentives for registering by July 24, 2020.

Built on a live, virtual platform used by Fortune 500 companies and major universities, this **ARRL-sanctioned** hamfest will let you:

- Learn from a packed line-up of 70+ world renowned ham radio speakers such as **Ward Silver, N0AX**, on Grounding and Bonding; **Glen Johnson, W0GJ**, on DXpeditions, and **John Portune, W6NBC**, on building slot antennas for HOA.
- See demos of the latest ham radio equipment from the world's top equipment companies. You can ask questions and engage with Exhibitors through video, audio, or chat.
- Share ideas and network with your fellow ham radio operators throughout the Expo.

And if you've never been to a Hamfest or Expo, you can participate from the convenience of your home or office without spending a dime on travel!

This platform simulates a full convention experience with an exhibit hall and exhibit booths staffed by live attendants, speaker auditorium, lobby, and lounges.
